

Cleaning Protocol

Recommended Cleaning Agents

Only use cleaning and disinfecting agents recommend by the manufacturer OR with the equivalent substance group.

Soap Solution

Ultrasol® Oxywipes

Clinell® Universal Wipes

Mikrobac® Forte

Dismozon® plus

Bacillol® Sensitive 30

Mikrobac® Virucidal Tissues

Adhere to the policy and procedure outlined by your workplace, with an awareness that non-manufacturer recommended products may damage your device.
